

BELCO'S ESSENTIAL INTENT

What

At Belco, we are committed to increasing the value we deliver to our customers every day.

Why

By doing this, we add more value to our careers, our company and our community.

How

- Doing what we say, when we say it.
- Being experts at what we do and committing ourselves to perfecting it.
- Building difference-making relationships with customers, suppliers, coworkers and community.
- Delivering our best through continual improvement and learning faster than the competition.

Our mantra: **Trust, Commitment, Community**
